

# Life is about to get **Easier**

NCR Silver is more than just payments. It's a full point-of-sale and marketing solution that helps you run your small business.

NCR Silver comes with real-time Back Office access from anywhere, automated email and social media marketing, and fraud alerts so that you can stay on top of your business, even when you can't be there. Throw in 7-day customer support and next-day hardware replacement, and life's about to get a lot easier.

## Market to **CUSTOMERS**

Grow your business from anywhere with automated emails and social media marketing.

Know which products your customers are interested in to keep them coming back.

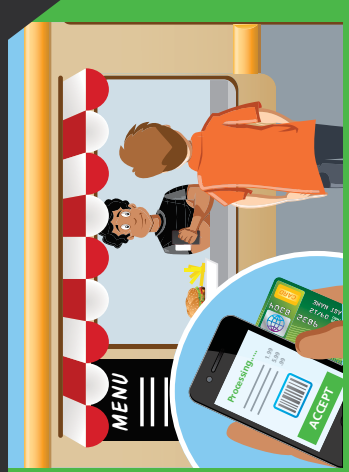

## In-store **SALES**

Use your Apple device to quickly take care of anything your customers need.

## Mobile **SALES**

Take your business anywhere - or everywhere - with mobile transactions.

## Back Office **ANYWHERE**

Access real-time reporting and Back Office dashboards from anywhere you want.

Be alerted when unusual discounts, sales and price activities happen, so you can stay on top of your business even when you aren't there.

## Customer **CARE**

7-day customer care and next-day hardware replacement from NCR gives you peace-of-mind.
